

## A map of the United Kingdom with the study area in South Wales highlighted in yellow. The map shows the outlines of the major islands and the internal county boundaries of England, Wales, and Scotland. The highlighted area is located in the south of Wales, near the English border.

Bands of heavy showers may bring in excess of 30 mm of rainfall to parts of this area, with some localised downpours increasing the risk of some surface water flooding.

Valid from **18:00 on Sun, 19th Jan 2014** until **12:00 on Mon, 20th Jan 2014**
